Hi Avinash,

Thank you for your continued support this semester to help me reach my goals in your course, I worked very hard after the midterm to put my best foot forward to achieve this credit, so it means the world to me that it paid off.

Thank you again,

Have a great summer!

Hi Mikkaila,

Good evening. Hope all is well. Yes, your grade will be rounded up to 65% and hence you have passed the course. Hope that helps. Have a wonderful summer and hope to see you around in the Fall semester! Enjoy your summer break.

Thanks,
Avinash
