
Physiology assignment

From Ashleigh Reynolds <Ashleigh.Reynolds@MyGeorgian.ca>

Date Sun 2026-03-22 12:08 PM

To Avinash Thadani <Avinash.Thadani@GeorgianCollege.ca>

Thank you for your detailed feedback on my assignment. I really appreciate the time you took to outline areas for improvement.

I noticed your comments regarding the missing diagrams. I had uploaded an image containing the diagrams with my submission, and I wanted to confirm whether it was successfully received on your end, or if I may have been missing a required diagram.

Thank you again for your guidance it's very helpful for my learning.

Ashleigh Reynolds, nursing student year one (she/her)
Georgian College Bachelor of Science- Nursing, Barrie Ontario.
