Avinash is hands down the best professor I have ever had in my experience here at Georgian. You can really tell he wants students to succeed. I found his practice quizzes, hand outs, and extra videos to be very helpful. He is also amazing at making complex things understandable
Avinash Thadani has supported my learning by showing he truly cares about his students and that he wants all of us to succeed. He shows that he knows the content very well and that helps when learning the content. Even when he had to shift to an online class he still tries to ensure we are understanding and always asks for ways he can improve so that we can learn effectively.
Creating a calming learning environment, being flexible, breaking things down well, and answering everyone's questions.
being there for me whenever I am confused and have questions. He is the best teacher out of all other teachers. I am very lucky and honoured to be in his class. Thank you!

Engaging with us, giving us TONS of additional resources as well as positive feedback.
Providing many additional ways of learning and answers any questions I have. Talks so nice and respectful
