Professor provided handwritten notes, power points, recorded lectures and detailed explanation in an easy way to remember. Professor is very knowledgeable and connects learning to other courses as well.
Avinash is the best prof I have ever had here at Georgian. He is always there to answer questions and is able to break down complex processes in a way I am able to understand. The videos posted on blackboard are very helpful as well if I am not able to make it to class.
Always explaining and judgement-free. Best ever!

Nothing, he's truly an amazing teacher. Kind, caring and really loves what he does. I wish he could teach me throughout the rest of my Nursing journey.
