| Providing case studies at the end of his presentations as a review of the material we learned.                                                                                                                                                                                                                                                                                       |
| For such a difficult subject, Avinash managed to organize lessons and content in a way that seemed less daunting. He always provided clarification when needed, went above and beyond to prepare review materials for exams, always provided detailed feedback on assignments. One of the best teachers.                                                                             |
| Answering all my questions, explaining things in detail. I ask a lot of Qs in class. He also asks the class a lot of Qs. He gets us engaged. He teaches thoroughly. He explains and gets in detail. He's honestly the best. He goes above and beyond. He creates practice quizzes for us. He gives reviews and explains why wrong answers are wrong and why right answers are right. |
